

Recognising God's Leading and Plan

“A Testimony”

Question

Do you realise it is not by accident
you are here in Kerang at this time?

As Fred has mentioned on many occasions God has a plan and purpose for our lives

Are we willing to allow the Holy spirit to show us our purpose?

His plan is perfect

Our participation in His plan and purpose is our part

Today I will be giving mine and Judy's testimony on how God has led us to where we are today

The first thing we need to establish is our origins

I was born in Nuneaton, England

Judy was born in Castlemaine, Australia

As the map will show we were a long way apart

It is Approximately 16,000 km from each other

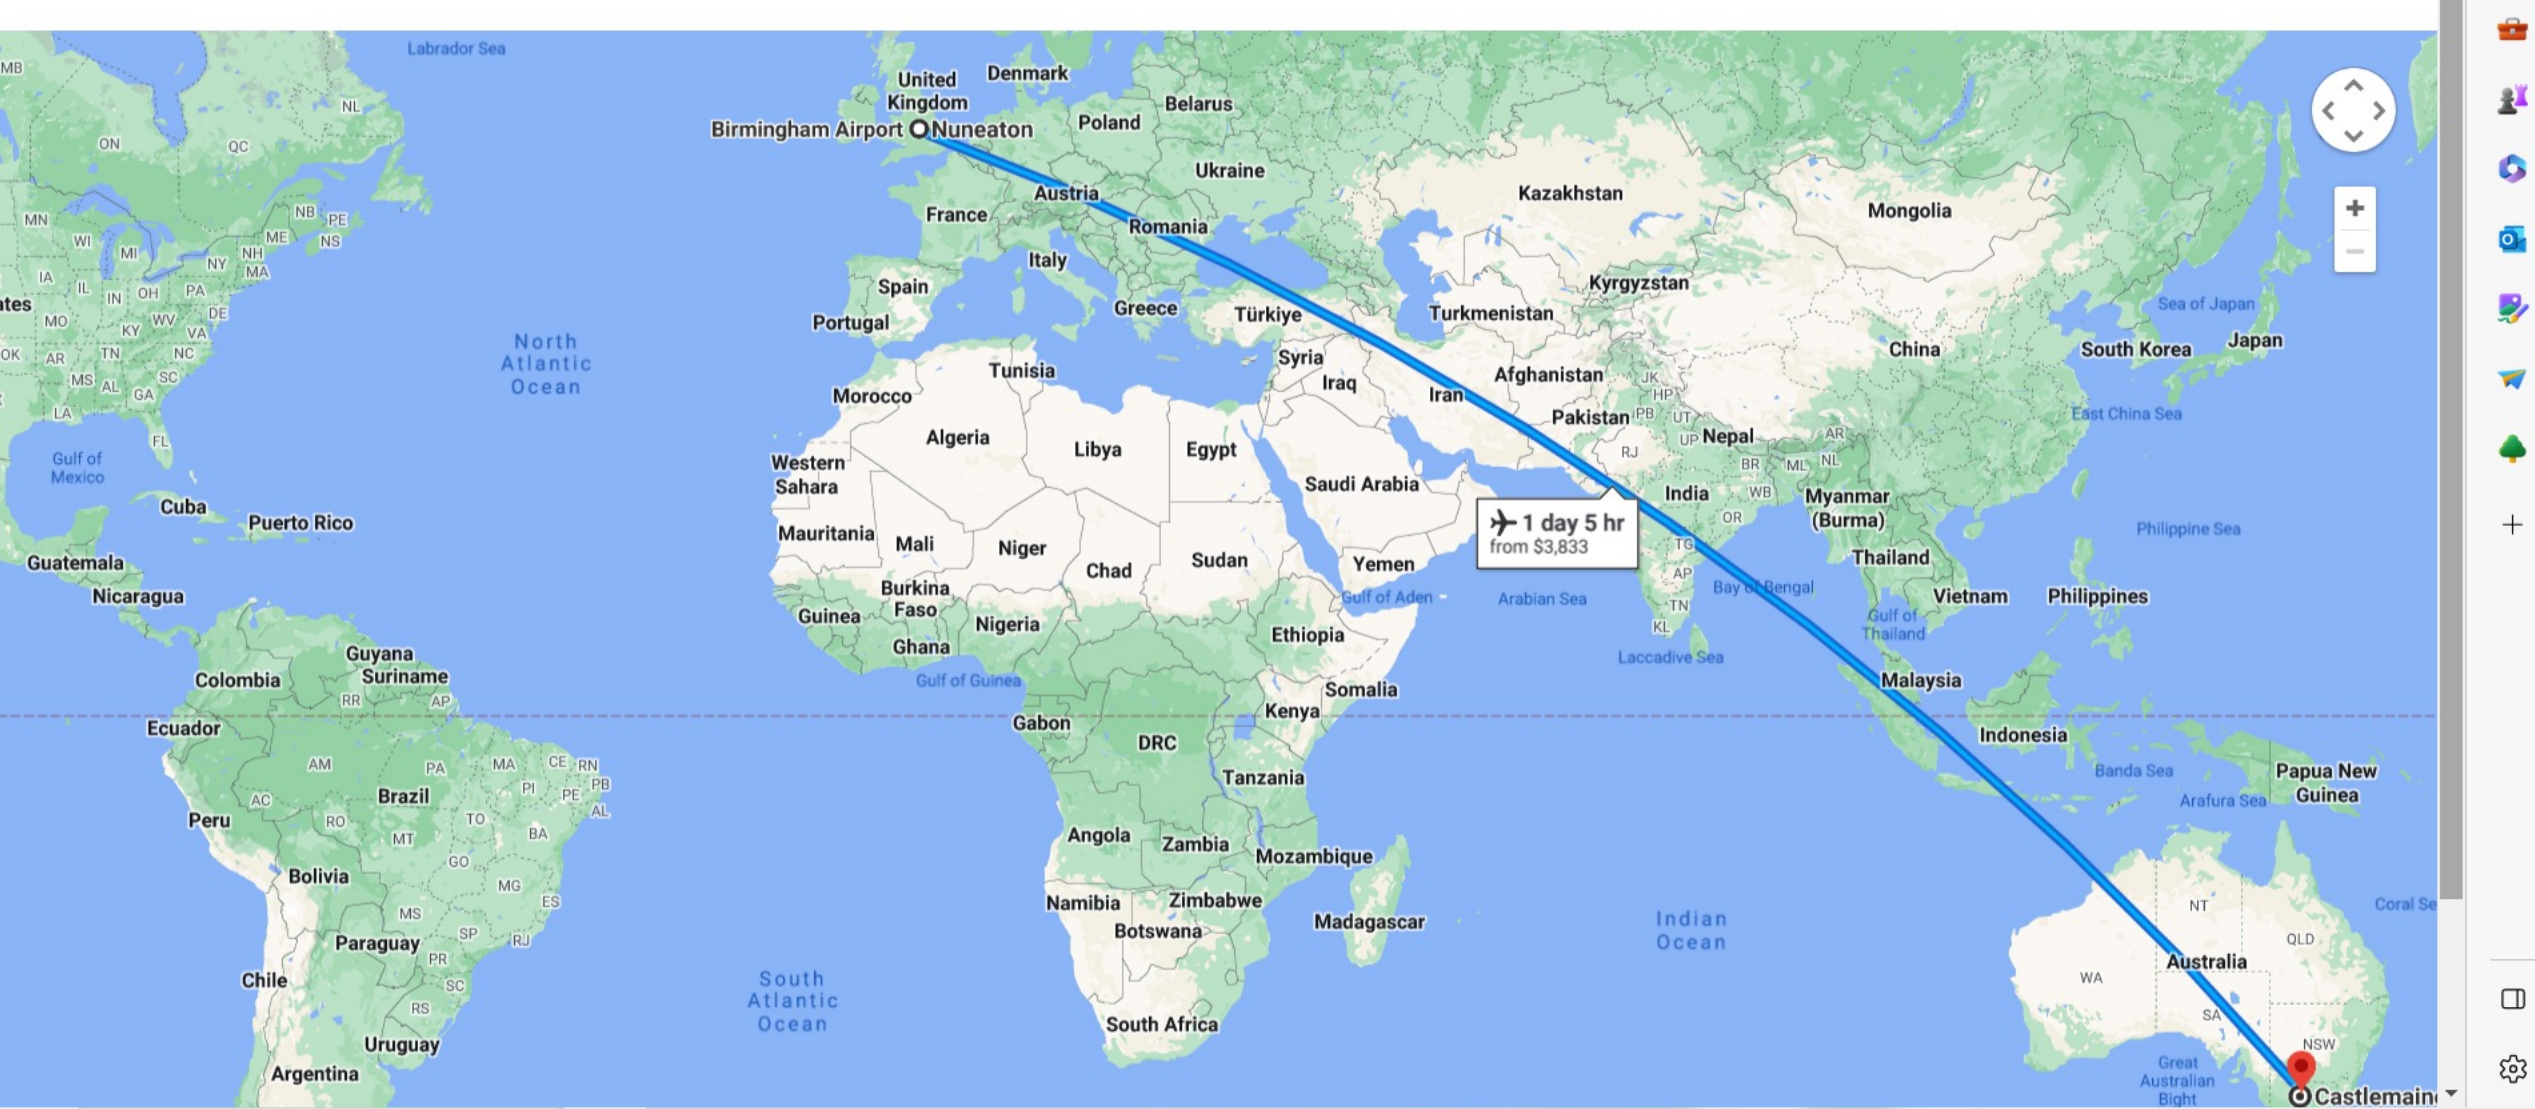

The first thing that God had to do was get us close

 Nuneaton, United Kingdom to Castlemaine, Victoria 3450

What is your purpose?

It is the same as Jesus to do your Fathers will

John 6:38 For I have come down from heaven not to do my will but to do the will of him who sent me.

This is not just about service

It is about surrendering your will to align with Gods, Just as Jesus did

It is allowing The Holy Spirit free rein to do as He will in your lives

You need to be more like Jesus daily, committing your lives afresh to Him

Unless you do this any service will be in your own strength

It is up to you to decide!
